### **ANIMALS:**

1. Any unit and/or other animals MUST make arrangements to have animal droppings "scooped" immediately by 'walking' individuals associated with their unit. Vehicles may not be used for picking up droppings. Droppings may not be disposed of at the disband area.

### **FLOATS**

#### **DESIGN:**

1. In general each float must be completely covered on all exposed parts. Floats should be constructed and decorated so that either side is equally appealing.
2. In all phases of float design, try to keep the format as fun and as eye appealing as possible. If the theme is humorous make sure that no one can be offended by it. All floats must reflect the **theme** and **must not be predominately commercial in nature**. All entries MUST send a description or sketch of the unit with the application. If a description or sketch is not received the application will be returned. Floats not meeting standards for appearance will not be allowed in the Parade.
3. No unit other than the float designated by the Parade Committee as the "Official Santa Float," may have any individuals dressed as Santa or Santa-like figures or representation.
4. The unit shall not exceed 13' in height.
5. No part of the frame, when fully decorated and loaded can be lower than 6 inches from the ground.
6. All props and structures on the deck must be fireproof, be of sound construction and be professional in appearance.
7. EACH FLOAT MUST ALSO BE EQUIPPED WITH A MINIMUM - ONE TEN POUND ABC TYPE FIRE EXTINGUISHER.
8. Floats may bear the name of the organization/business and the name of the theme depicted by the float. All signs must be of high quality and easily readable to spectators.
9. **GENERATORS:** All generator ground wires should be in compliance with SECTION 150.6 of the National Electrical Code. All electrical lines should be fused on larger than 15 amps. All generators must have gas tanks of sufficient size to supply unit for duration of parade. There will be no refueling during the parade.
10. If there is music on the float, it must be kept at volume level which will not detract from adjacent units.

### **FLOAT RIDERS AND WALKERS:**

1. For floats which have standing riders, proper safety should be incorporated – railings, supports, safety hinges, etc. Flooring must have adequate strength to safely hold all riders.
2. Float riders should be used only when they serve a useful function to the overall theme of the float and must be constructed appropriately to fit that theme. No arms or legs are to hang off the side of the float. All riders must stand or sit in the middle of the float.
3. Any float riders under 12 years of age must be accompanied by adults.
4. Float sponsors may use walkers with their floats. They must be costumed to comply with the general theme of the float.
5. Riders and walkers should not be using cell phones except in an emergency.

### **ALL FLOATS MUST:**

1. Be complete and ready to go prior to reporting to the formation area.
2. Report at their designated location by the time designated on your parade orders on the day of the parade. The pulling unit and driver will remain with the float placement in the Parade by the Parade Official. No other vehicles are allowed with the float.
